Product details of Salpido Duro T11 Stereo Headset with Microphone
Description

Enjoy great immersive sound with the Salpido Warrior M88 DJ Headphone. This headset is the ideal choice for all things audio such as listening to music, having a video call, or online gaming. Plus the headset also comes in an attractive design and finish.

Audio Quality

The Duro T11 Stereo Headset has great sound quality when it comes to music and voice chatting online. The headset 40mm speaker drivers gives you crisp trebles and heart beating bass, perfect for all your favorite tunes. Furthermore, the omni directional microphone picks up your voice clearly and loudly so whoever you communicate with can always hear what you say.

Design The headset's durable design not only looks good but fits onto your ears comfortably so you can keep using even for long hours.

The Salpido Duro T11 Stereo Headset applies to requirements of demanding broadcast applications for studio or outside productions. The headset is lightweight, provides extra soft ear cushions and headband padding for outstanding wearing comfort even during long production days.

Headset is provided with a dynamic hyper-cardioid patterned microphone. The microphone features excellent acoustic performance a reliable noise suppression and has a shock mounted capsule for absorbing structure born noise. The short flexible part of the boom guarantees right positioning of microphone. Headset is designed for use in loud environment.
